Internships

2025.12 – 2026.03
Shanghai Celiang Information Technology Co., Ltd. New Media Operations Intern

- Plan content, write scripts and run Douyin car-modification matrix accounts such as "Hualiao Talks Cars"
- Own the full short-video workflow from topic selection to publishing; strong grasp of Douyin automotive tone and viral logic
- Iterate content on retention, engagement and follower-growth data; optimize the 3-second hook and topic structure

2025.07 – 2025.11
TSAF Shenzhen Minisi Yuedong Technology Co., Ltd. New Media Operations Intern

- Ran the corporate Xiaohongshu (RED) account: 88 original posts and 130 short videos, growing from 0 to 8,000+ followers with a standardised topic library and publishing SOP
- Reviewed note-level data to iterate topics and cover layouts; built reusable cover and headline templates
- Product photo retouching in Photoshop: colour grading, blemish removal and detail refinement

2024.11 – 2025.03
Fuzhou Changdu Technology Co., Ltd. AI Comic Drama Post-production Intern

- Post-production on 15 urban-revenge vertical short dramas; team delivered 1,630 episodes for Western and Indonesian markets
- Released on MoboReels and other Changdu overseas apps (No.1 on Google Play / App Store bestseller lists in several countries); best title No.1 on platform chart, top episode 6M views
- Averaged 130 episodes/month; rebuilt pacing from chart and completion data; AI-assisted subtitling lifted per-episode efficiency 36% and completion 3 pts

2023.12 – 2024.03
Putian Juyunhe Technology Co., Ltd. Video Editing Intern

- Edited live-stream clips and Qianchuan ad creatives, 10–15 clips per day, sustaining daily live-room ad delivery
- Wrote 5 Qianchuan scripts, 7 derived creatives scaled; hook and selling-point rework lifted account completion 35%, acquisition cost -18%
- Iterated creative direction on platform trends and delivery feedback

Projects

2024.05 – 2024.11
Hongguo Short Drama "Chu Jiao" Post-production Specialist

- Rough/fine cuts and transitions in Premiere, controlling pacing to strengthen payoffs and retention
- Color correction and stylized grading in DaVinci Resolve to unify the series' visual tone
- Voice-over, sound-effect matching and audio mixing in Audition, keeping picture and sound in sync
- Delivered multiple versions on rapid iteration to keep the series on schedule

Portfolio

Overseas short-drama post-production, Douyin automotive short videos and e-commerce retouching — playable in the portfolio.

Profile

Film & animation major with end-to-end post-production and new-media operations skills. Experienced across overseas short dramas, domestic e-commerce and the automotive niche. Proficient in Premiere Pro, After Effects, DaVinci Resolve, CapCut Pro, Photoshop and Illustrator.
